

Season Permits – Condition of Issue – Blythe 2024 onwards

1. The holder shall be responsible for and release and indemnify of Canal & River Trust, their servants or agents, from and against all liability for personal injury (whether fatal or otherwise) loss of or damage to property or any other loss, damage, costs and expenses which may arise during or in consequence of the exercise of the permission granted. Permit holders are advised to take out individual insurance covering their third-party risks arising out of their angling activities.
2. In exercising the permission granted, the holder undertakes to comply with Canal & River Trust Byelaws or any specific rules or regulations which may from time to time apply. In particular anglers must ensure that they possess an Environment Agency Rod Licence and that all angling is carried out in accordance with the individual fishery rules and any Bye-law requirements.
3. The holder will not by any act or neglect cause injury to any person or damage to any property and will use his or her best endeavours to keep clear of any craft or dangers whatever the nature.
4. The permit is not transferable, and it may be withdrawn by, and must be surrendered to the issuing office at any time on demand. If the permit is withdrawn at any time before a period of not less than four weeks from the date of expiry (other than for a breach of the conditions of issue) a proportion of the charge will be repaid if claimed.
5. Only the name given on the permit is permitted to fish under that permit.
6. The permit is valid for daytime pleasure fishing only.
7. The permit is only valid at the fishery it is issued for. **At Blythe Waters Fishery, the season permit covers fishing on Bridge, Willow, Cherries and Kingfisher Pools only. A separate permit covers fishing on Home pool.**
8. Fishing is on a first come first serve basis. There may be occasions when there is limited peg availability or no pegs available.
9. Individual fishery rules apply. Please make sure you are aware of these rules before commencing fishing.
10. Permits should always be carried when fishing and must be made available for inspection by authorised members of Canal & River Trust staff or an appointed agent or fishery bailiff.
11. Fishing shall be carried out with a maximum of two rods unless stated to the contrary on the front of this permit.
12. To help stop the risk and spread of disease, all nets must be completely dry before fishing.
13. All fish caught must be returned to the water from which they were caught.
