

## 2023/24 Winter Mooring Price Bands

The pricing of each winter mooring site is based on the consideration of several different factors including:

- The pricing of nearby moorings (to ensure the Trust complies with competition rules)
- The location of the winter mooring site
- The availability of facilities and services near to the mooring
- The level of demand for each winter mooring site

### Note Regarding Salthouse Docks – Liverpool Docks ONLY

Salthouse Docks winter moorings are only available for a five month period from 1<sup>st</sup> November 2023 to 31<sup>st</sup> March 2024, however boats **must arrive on Monday 30<sup>th</sup> October 2023 and will not be able to leave until Monday 1<sup>st</sup> April 2024** due to the closure of the Liverpool Link Canal from 31<sup>st</sup> October 2023 to 31<sup>st</sup> March 2024, it is not possible to book a winter mooring for any shorter duration. There is also a mandatory daily fee of £7 for the provision of electricity. This will be invoiced separately. For more information on accessing Salthouse Docks, skippers guide for the Liverpool Link Canal and other news please see [Liverpool Canal Link | Book your passage | Canal & River Trust \(canalrivertrust.org.uk\)](#)  
A member of the North West team will contact all boaters who purchase a Winter Mooring at Salthouse Docks to make the necessary passage bookings (please do not use the online system) and to set up the invoice / payment for the electricity.
