

Squirrel Puppets

Little Squirrel

Big Squirrel

What to do:

1. Print this sheet onto thin card.
2. Colour in the squirrels.
3. Cut them out – don't forget the holes for legs.
4. Pop your fingers through the legs and sing the water safety song:

Hold hands, take two steps back.
Hold hands, take two steps back.
Hold hands, take two steps back.
Let's stay safe together.
Quack, Quack!
