- 1) General information
- 2) List of waterways where the Gold Licence can be used
- 3) Gold Licence fees for craft less than 3.5m wide
- 4) Application form
- 5) Direct debit mandate

A Gold licence can be more economical than separate licences from the different navigation authorities, depending on the length of time you intend to spend away from your home navigation on any of the waterways covered by the licence.

When is it available?

All Gold licences run from January 1 – 31 December 2014 irrespective of when you apply.

What is a Gold Licence?

The Gold Licence is for people who wish to spend time cruising on a combination of Canal & River Trust and Environment Agency (EA) navigations. EA navigations include the River Thames, Anglian waterways and River Medway; currently each of these areas has its own registration/licensing scheme.

The Gold Licence replaces the need for separate licences from the different authorities and covers all Canal & River Trust and EA navigations.

It is a twelve month licence and registration for powered craft only. It doesn't cover the tender to a boat – you need to register or license this separately with the individual authorities.

What does it cost?

If your boat is less than 3.5 metres (11'5") wide, the cost is upward from £531 depending on its length. The fee sheet for boats under 3.5m wide is printed on page 4.

If your home mooring is on the Thames you can obtain a formal quotation for a wider boat by calling 0303 040 4040 (Mon – Fri 8am - 6pm, calls charged at local rate).

How can I get a refund on my current, unexpired licence or registration?

Your home navigation may issue a pro rata refund for full months unused, providing you send your old, unexpired licence disks back to the original issuing office with your refund request.

However, if you are paying by Direct Debit please contact Canal & River Trust Customer Services Centre, for confirmation of the refund procedure.

A Gold Licence is non refundable.

Discounts

- Vessels which are powered solely by electricity: 25% discount.
- Canal & River Trust prompt payment discount is already deducted from the payment in full. (See page 4)
- Historic boats on Canal & River Trust waterways claiming the 10% discount should contact Customer Services Centre who will calculate the value of your discount on your Gold Licence for you – it is a complicated formula as the 10% can only be applied to the Canal & River Trust element of your Gold Licence.

Payment methods

- Cheque, cash or postal order. Cheques payable to Canal & River Trust.
- Only send cash by registered post.
- Visa, Mastercard or Maestro
- A £7.50 charge will be applied to all Credit cards but not Debit card payments.
- Direct Debit
 - in one single payment
 - over 5 months (see fee list)
 - over 9 months (see fee list)

If you pay in nine instalments, the first payment is 20% of the total amount due and is collected on the licence start date. The remaining instalments are equal amounts collected on the first day of the following months. The prompt payment discount is not available for instalment payments, but is already included in the payment in full. (see page 4)

What requirements are there?

- A valid Boat Safety Scheme Certificate or Declaration of Conformity with the Recreational Craft Directive. The latter must include the boat specifications and your declaration. If your boat is an open vessel powered solely by an outboard engine and it has no appliances for cooking, heating, refrigeration or lighting, it will probably be exempt from this requirement – ask us for an exemption form and enclose it with your Gold Licence application.
- Proof that you have third party liability insurance cover in place for a minimum of £2 million.
- Once you have obtained your Gold Licence, you must display the discs prominently on both sides of your vessel. Registration documents issued by relevant navigation authorities must be carried aboard your vessel. (Please remove all old discs).

Where can I use the Gold Licence?

A full list of waterways is printed (see page 3).

Access keys

A single key fits all Canal & River Trust sanitary facilities, locks & swing bridges (£6.00), and a handcuff key (£5.00) is also required to open some of the locks on Canal & River Trust navigations.

They are available from Canal & River Trust Customer Services Centre, waterway offices, chandlers and on-line at www.canalrivertrust.org.uk/shop

A separate key is needed for the EA's Anglian Waterways (£10.00) per key, available from the EA T 03708 506 506.

Safe and responsible boating

You must familiarise yourself with and follow the regulations set by each navigation authority. For a copy of the Boaters' Handbook, contact Canal & River Trust Customer Services Centre or any Canal & River Trust or EA office.

Temporary restrictions

Please check www.canalrivertrust.org.uk/stoppages for stoppage information before travel. Canal & River Trust's main repair programme runs from October to April.

The gold licence may be used on the following waterways

Canal & River Trust

22.1 – 23.09	72' 3" – 75' 9"	1389	1501

For vessels over 23.09 metres

Prices available on request

The Data Protection Act 1998

The Environment Agency is responsible for improvements in navigation and the registration of boats on waters for which we have responsibility. We will process the information you provide so that we can deal with your application for boat registration, make sure you keep to the conditions of the registration, and process renewals.

We may also process or release the information to:

- offer you documents or services relating to boat safety, navigation, and environmental matters;
- consult the public, public organisations and other organisations (for example, the Health and Safety Executive, local authorities, the emergency services, the Department for Environment, Food and Rural Affairs) on boat safety, navigation and environmental issues;
- carry out research and development work on environmental issues;
- prevent anyone from breaking environmental law, investigate cases where environmental law may have been broken, and take any actions that is needed;
- assess whether customers are satisfied with our service and to improve our service; and
- respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act 1998 allows)

We may pass the information to our agents or representatives to do these things for us.
