School Plastics Challenge
Week Five

How does litter make you feel?

- Angry?
- Sad?
- Determined?
- Motivated?
- Frustrated?

How can writing poetry and songs help?

- Writing helps us to make sense of our feelings.
- Encourages us to look at things from other points of view.
- Sends out a message to more people.
- Inspires people to listen and take action.

Acrostic Litter Poem

Litter all around
In the sea, on the streets.
Take it away, put it in the bin
The animals that need protecting
Everyone can make a difference
Reduce, reuse, recycle.

Litter Limerick

When I go for a walk in the sun.
I assure you it isn't much fun.
Litter covers the floor,
We need to do more,
Plastic's polluting the sea by the tonne.

Haiiku Limerick

Wherever it lands
Litter travels to the ocean
Forever it stays.
