

Please be ready for the start time stated. Please note, on the day, the start time for UP passages from Tarleton travelling to the Lancaster Canal is only a guide. It is not the exact time because the tide may come in quicker or slower depending on the weather and how much water there is in the river coming in slower or quicker than forecasted. The team will keep you informed of any changes on the day.

Please note, if you do not make the down crossing in time, you will be redirected to Preston Docks, where a charge per night will be applicable direct to the Docks.

Please read the [Ribble Link Skipper's Guide](#) for full guidance.
