West India Docks Dock Notice

Dock Notice Number: 03/2024 Issue Date: 26th April 2024

West India Docks Service Update

All parties are advised that remedial work to the north middle gate of West India lock remains ongoing.

We expect this remedial work to conclude during May and for normal service to resume.

In the meantime, vessels are requested to make early contact with the Harbour Master's office to plan passage in/out of West India Docks, as using the full lock is subject to tide and water resource planning.

A further Dock Notice will be issued to advise when normal service resumes.

Jamie Jackson

Harbour Master – West India Docks

Owners, Agents and Charterers should ensure that the contents of this Notice are made known to the Masters, or persons in charge of their vessels or craft.
