

Protect: Create your own Waterside Wildlife bingo card game

Bingo is lots of fun to play when you get together. Create your own bingo cards featuring a different selection of wildlife on each card like this example.

Canal &
River Trust

Wildlife Bingo Card

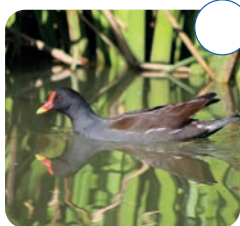

Can you spot these animals often found living on, in and around your local canal or river? Tick each one off as you spot it.

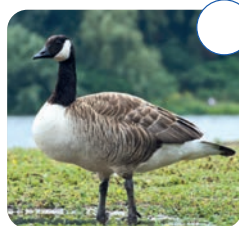

Swan

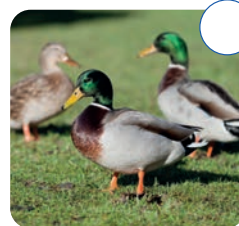

Coot

Moorhen

Canada goose

Mallard

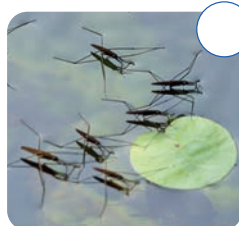

Dragonfly

Bumblebee

Butterfly

Waterboatmen

Water vole

See the next page for some blank bingo templates you can print out or copy – you can either draw or stick pictures onto the blank boxes and write underneath what to look for. These could be animals, insects, flowers or trees, in fact anything you like to create your own bingo game to play. Play in real time as you walk along the waterways or email cards to your friends and play remotely.
