

GOLD LICENCE: INFORMATION FOR 2007

- 1) General information
- 2) List of waterways where the Gold Licence can be used
- 3) Gold Licence fees for craft less than 3.5m wide
- 4) Application form

What is a Gold Licence?

The Gold Licence is for people who wish to spend time cruising on a combination of British Waterways and Environment Agency navigations. EA navigations include the River Thames, Anglian waterways and River Medway: currently each of these areas has its own registration/licensing scheme.

The Gold Licence replaces the need for separate licences from the different authorities and covers all BW and EA navigations (including Scotland).

It is a twelve month licence and registration for powered craft only. It doesn't cover the tender to a boat – you need to register or license this separately with the individual authorities.

What does it cost?

If your boat is less than 3.5 metres (11'5") wide, the cost is upward from £363 depending on its length. The fee sheet for boats under 3.5m wide is printed on page 4.

You can obtain a formal quotation for a wider boat by calling 01923 201120 (Mon-Fri 8am – 8pm, 9-1 Saturdays), or you can download the full fee sheet from

www.waterscape.com/boating/useful_downloads

A Gold licence can be more economical than separate licences from the different navigation authorities, depending on the length of time you intend to spend away from your home navigation on any of the waterways covered by the licence.

When is it available?

All Gold licences run from January 1st – 31 December 2007 irrespective of when you apply.

How can I get a refund on my current, unexpired licence or registration?

Your home navigation may issue a pro rata refund for full months unused, providing you send your old, unexpired licence disks back to the original issuing office with your refund request.

However, if you are paying by Direct Debit please contact British Waterways Customer Services Centre, for confirmation of the refund procedure.

A Gold Licence is non refundable.

Discounts

- Vessels which are powered solely by electricity: 25% discount.
- BW prompt payment discount is already deducted from the payment in full. (See page 4)
- Historic boats on BW waterways claiming the 10% discount should contact Customer Services Centre who will calculate the value of your discount on your Gold Licence for you – it is a complicated formula as the 10% can only be applied to the BW element of your Gold Licence.

Payment methods

- cheque, cash or postal order. Cheques payable to British Waterways.
Only send cash by registered post.
- Visa, Mastercard or Switch/Maestro
- Direct Debit
 - ⇒ in one single payment
 - ⇒ over 5 months (see fee list)
 - ⇒ over 9 months (see fee list)

If you pay in instalments, the first payment is 20% of the total amount due and is collected on the licence start date. The remaining instalments are equal amounts collected on the first day of the following months. The prompt payment discount is not available for instalment payments, but is already included in the payment in full. (see page 4)

What requirements are there?

- A valid Boat Safety Scheme Certificate OR Declaration of Conformity with the Recreational Craft Directive. The latter must include the boat specifications and your declaration. If your boat is an open vessel powered solely by an outboard engine and it has no appliances for cooking, heating, refrigeration or lighting, it will probably be exempt from this requirement – ask us for an exemption form and enclose it with your Gold Licence application.
- Proof that you have third party liability insurance cover in place for a minimum of £1 million.
- Once you have obtained your Gold Licence, you must display the discs prominently on both sides of your vessel. Registration documents issued by relevant navigation authorities must be carried aboard your vessel. (Please remove all old discs.)

Where can I use the Gold Licence?

A full list of waterways is printed overleaf (see page 3).

How long does it take to issue a licence?

Please allow 15 working days from receipt of your completed application.

Access keys

A single key fits all BW sanitary facilities, locks & swing bridges, and a handcuff key is also required to open some of the locks on British Waterways navigations. Both Keys cost £5 each. They are available from British Waterways Customer Services Centre, waterway offices, chandlers and on-line at www.waterscape.com

A separate waterway key is required for the River Nene, cost £4 per key, available from the Environment Agency at the Peterborough office T 01733 464 909.

Safe and responsible boating

You must familiarise yourself with and follow the regulations set by each navigation authority. For a copy of the Boaters' Handbook, contact BW Customer Services Centre or any BW or EA office.

Temporary restrictions

Please check www.waterscape.com/boating for stoppage information before travel. British Waterways' main repair programme runs from October to April. To receive a copy each year please tick the box on the bottom of the application form.

Declaration

I confirm that the information I have given on this form is correct.
I have read and accept the terms of the licence printed below.

Signature Date

Please tick this box if you are happy to receive information about the waterways from British Waterways or its subsidiaries. Please tick this box if you would like to receive a copy of BW's Winter Stoppage Programme each year.
 Please tick this box if you **do not** want to receive a copy of Waterfront, BW's customer magazine sent free to all licence holders twice a year.

This licence is not refundable

Issue date: 14/11/06

You are responsible for familiarising yourself with, and following the regulations set by each navigation authority. The conditions published by BW and EA for their separate licensing and registration schemes apply to the Gold Licence unless otherwise indicated in the Gold Licence information. Your licence may be withdrawn if you do not comply.
Under EA legislation, the information you have provided on this form will be included on registers that are available for public inspection.

HOW TO PAY YOUR RENEWAL

Cheque

Please make cheques payable to British Waterways and **write your customer number on the back**. Please do not send cash through the post.

Payment Card (VISA, MASTERCARD, SWITCH ONLY)

Please complete your card details overleaf.

Direct Debit

If you paid for your last application by Direct Debit you do not need to do anything as long as your instruction has not been changed or cancelled. Your new licence/permit will be sent to you automatically.

If this is the first time you have chosen to pay by Direct Debit, or your bank details have changed, or it has been more than 13 months since you last paid by Direct Debit, please complete this mandate.

NB We can only operate Direct Debit from one bank account per customer.

It is important that you read the section 'paying by Direct Debit' in your fees and conditions booklet.

Direct Debit payment options

If you pay in instalments, the first payment is 20% of the total amount due and is collected on the licence start date. The remaining instalments are equal amounts collected on the first day of the following months. The prompt payment discount is not available for instalment payments.

Once you have set up a direct debit instruction, we will automatically collect payment in respect of the renewal unless you advise us not to. We will always notify you in advance of the payment dates and amounts.

Instruction to your Bank or Building Society to pay Direct Debits

Please fill in the whole form and send it to: British Waterways, Willow Grange, Church Road, Watford WD17 4QA

Direct Debit Guarantee

If an error is made by us or your Bank or Building Society you are guaranteed that your branch will make a full and immediate refund of the amount paid. You can cancel a Direct Debit at any time by writing to your Bank or Building Society. If you do this, please also send a copy of this letter to us. This Guarantee is offered by all Banks and Building Societies taking part in the Direct Debit Scheme. The efficiency and security of the Scheme is monitored and protected by your own Bank or Building Society.
