

GOLD LICENCE: INFORMATION FOR 2005

What is a Gold Licence?

The Gold Licence is for people who wish to spend time cruising on a combination of British Waterways and Environment Agency navigations. EA navigations include the River Thames, Anglian waterways and River Medway: currently each of these areas has its own registration/licensing scheme.

The Gold Licence replaces the need for separate licences from the different authorities and covers all BW and EA navigations.

It is a twelve month licence and registration for powered craft only. It doesn't cover the tender to a boat – you need to register or license this separately with the individual authorities.

What does it cost?

If your boat is less than 3.5 metres (11'5") wide, the cost is between £315 and £827, depending on its length. The full price list for boats under 3.5m wide is printed overleaf.

You can obtain a formal quotation for a wider boat by calling 01923 201120 (Mon-Fri 8am – 8pm, 9-1 Saturdays), or you can download the full fee sheet from www.waterscape.com/boating

You may find a Gold licence more economical than separate licences from the different navigation authorities if you plan to spend more than two consecutive weeks away from your home navigation on any of the waterways covered by the licence.

When is it available?

All Gold licences start from January 1st – 31 December 2005 irrespective of when you apply.

How can I get a refund on my current, unexpired licence or registration?

Your home navigation may issue a pro rata refund to full months unused, providing you send your old, unexpired licence disks back to the issuing office with your refund request.

However, if you are paying by Direct Debit please contact British Waterways Customer Services, for confirmation of the refund procedure.

A Gold Licence is non refundable.

Discounts

- Vessels which are powered solely by electricity: 25% discount.
- BW prompt payment discount is already deducted in the published price
- Historic boats on BW waterways claiming the 10% discount should contact Customer Services who will calculate the value of your discount on your Gold Licence for you – it is a complicated formula as the 10% can only be applied to the BW element of your Gold Licence.

All the fees are based on the BW prompt payment rates so there is no further discount.

Payment methods

- cheque, cash or postal order. Cheques payable to British Waterways. Only send cash by registered post.
- Visa, Mastercard or Switch/Maestro
- Direct Debit (see fee list):
 - ⇒ in one single payment
 - ⇒ over 5 months
 - ⇒ over 9 months

If you pay in instalments, the first payment is 20% of the total amount due and is collected on the licence start date. The remaining instalments are equal amounts collected on the first day of the following months. The prompt payment discount is not available for instalment payments.

What requirements are there?

- A valid Boat Safety Scheme Certificate OR Declaration of Conformity with the Recreational Craft Directive. The latter must include the boat specifications and your declaration. If your boat is an open vessel powered solely by an outboard engine and it has no appliances for cooking, heating, refrigeration or lighting, it will probably be exempt from this requirement – ask us for an exemption form and enclose it with your Gold Licence application.
- Proof that you have third party liability insurance cover in place for a minimum of £1 million.
- Once you have obtained your Gold Licence, you must display the discs prominently on both sides of your vessel. Registration documents issued by relevant navigation authorities must be carried aboard your vessel. (Please remove all old discs.)

Where can I use the Gold Licence?

A full list of waterways is printed overleaf.

How long does it take to issue a licence?

Please allow 21 days.

Access keys

A single key fits all BW sanitary facilities and a handcuff key is required to open locks on some British Waterways navigations. Keys cost £5 each, available from British Waterways Customer Services, on line at waterscape.com, waterway offices and chandlers. A separate waterway key is also required for the River Nene, cost £4 per key, available from the Environment Agency at the Peterborough office.

Safe and responsible boating

You must familiarise yourself with and follow the regulations set by each navigation authority. For a copy of the Boaters' Handbook, contact BW Customer Services or any BW or EA office.

Temporary restrictions

Please check waterscape.com/boating for stoppage information before travel. British Waterways' main repair programme runs from November to March.

You are responsible for familiarising yourself with, and following the regulations set by each navigation authority. The conditions published by BW and EA for their separate licensing and registration schemes apply to the Gold Licence unless otherwise indicated in the Gold Licence information. Your licence may be withdrawn if you do not comply. Under EA legislation, the information you have provided on this form will be included on registers that are available for public inspection.

HOW TO PAY YOUR LICENCE RENEWAL

Cheque

Please make cheques payable to British Waterways and write your customer number on the back.

Please do not send cash through the post.

Payment Card

Please complete your card details overleaf.

Direct Debit

If you paid for your last application by Direct Debit you do not need to do anything so long as your instruction has not been changed or cancelled. Your new licence/permit will be sent to you automatically.

If this is the first time you have chosen to pay by Direct Debit, or your bank details have changed, or it has been more than 13 months since you last paid by Direct Debit, please complete this mandate.

If you are currently paying by Direct Debit but wish to use alternative bank details for this application, please complete the mandate and tick this box.

It is important that you read the section 'paying by Direct Debit' in your fees and conditions booklet.

Direct Debit payment options

One single instalment collected on the licence start date 5 monthly instalments 9 monthly instalments

If you pay in instalments, the first payment is 20% of the total amount due and is collected on the licence start date. The remaining instalments are equal amounts collected on the first day of the following months. The prompt payment discount is not available for instalment payments.

Once you have set up a direct debit instruction, we will automatically collect payment in respect of the renewal unless you advise us not to. We will always notify you in advance of the payment dates and amounts.
