

Email_Subject: Please keep cruising if you've been moored for over 14 days – delete if sending by post

Let's keep our waterways flowing

Index: Boat –

Dear *|User_FullName|*,

Using our previous working day's sightings, it looks like your boat has been moored in the same general area for more than 14 days. If you have moved since the sighting was taken (e.g. moved over the weekend if you received a reminder on Monday), then thank you and you do not need to take any further action.

Please remember that when you're cruising you should be on the move every 14 days. Please feel free to contact me if there are any issues which are making it difficult for you to regularly move; we may be able to help you.

We're here to help

If you're not able to move your boat right now for whatever reason, I'm just a phone call away. You can reach me by calling the number below. Just make sure you have your boat index number and your current location to hand. For a refresher on the terms and conditions of your boat licence, please view the PDF at <https://canalrivertrust.org.uk/media/library/5962.pdf>

If you're looking for inspiration for your next destination, take a look at our waterways map at <https://canalrivertrust.org.uk/enjoy-the-waterways/canal-and-river-network>

Boaters make our waterways what they are. Together we can keep our canals and rivers flowing and open to all.

Thank you – and happy boating.

Yours sincerely
