Making life better by water

Discover Aldermaston Wharf

Once a busy industrial canal wharf, Aldermaston Wharf is now a peaceful backwater. It's great place to start exploring the beautiful Kennet & Avon Canal.

A little bit of history

200 years ago, visitors to Aldermaston Wharf would have seen horse-drawn barges loading and off-loading a huge variety of goods from building materials to beer. From here, goods were transported all over the world via the canal, the River Thames and the Port of London.

Five things to do at Aldermaston Wharf

- Check out** Aldermaston Lock with its scalloped brick chamber. One of only two on the canal.
- Look for** the modern electric lift bridge and watch the boats stop the traffic!
- The Kennet & Avon Canal** is important for wildlife conservation. Look out for kingfishers, mute swans, coots, moorhens and herons.
- Walk along** the towpath and spot different types of boats such as Dutch barges, river cruisers and narrowboats.
- Visit** the café and find out more about the Kennet & Avon Canal.
