A little bit of history

The Gloucester & Sharpness Canal was built for ocean-going ships bringing cargo up from Gloucester Docks. The Stroudwater Canal bought coal from the Midlands to the cloth mills in the Stroud Valley. So, Saul Junction was a great meeting place for ships and crew, boats and boaters and cargo from around the world.

Best of all it's FREE!*

Five things to do at Saul Junction

- Check out** the Cotswold Canal Trust Visitor Centre and discover more about the restoration of the Stroudwater Canal.
- Bike** down to the 'boat graveyard' at Purton. Old boats were beached here to help protect the canal banks from erosion by the River Severn.
- Go** on a boat trip and discover more about the canals.
- Take** a break in the Stables Café that once provided stabling for the horses towing the boats.
- Cycle** down to the Wetlands and Wildfowl Trust at Slimbridge.
