

# Boaters' Guides

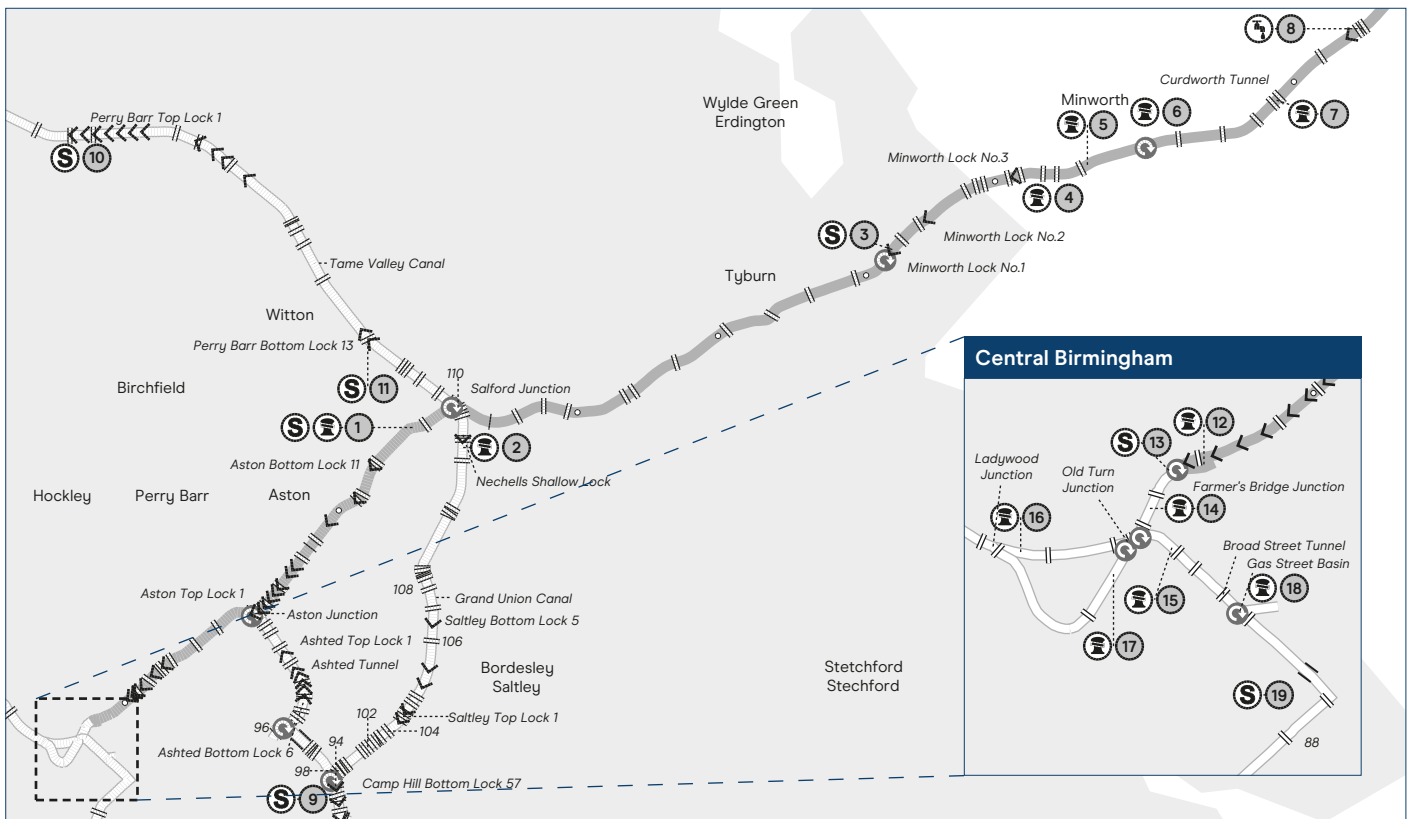

## A note about the data

These guides list information we currently have on our facilities, dimensions and navigation guidance, based upon local knowledge and expertise. Whilst we anticipate that this data is reasonably accurate, we cannot guarantee its precision. Therefore, this data should only be used as a helpful guide and you should always use your own judgement taking into account local circumstances at any particular time. If you spot something wrong, please let us know [canalrivertrust.org.uk/contact-us](https://canalrivertrust.org.uk/contact-us)
