

Boaters' Guides

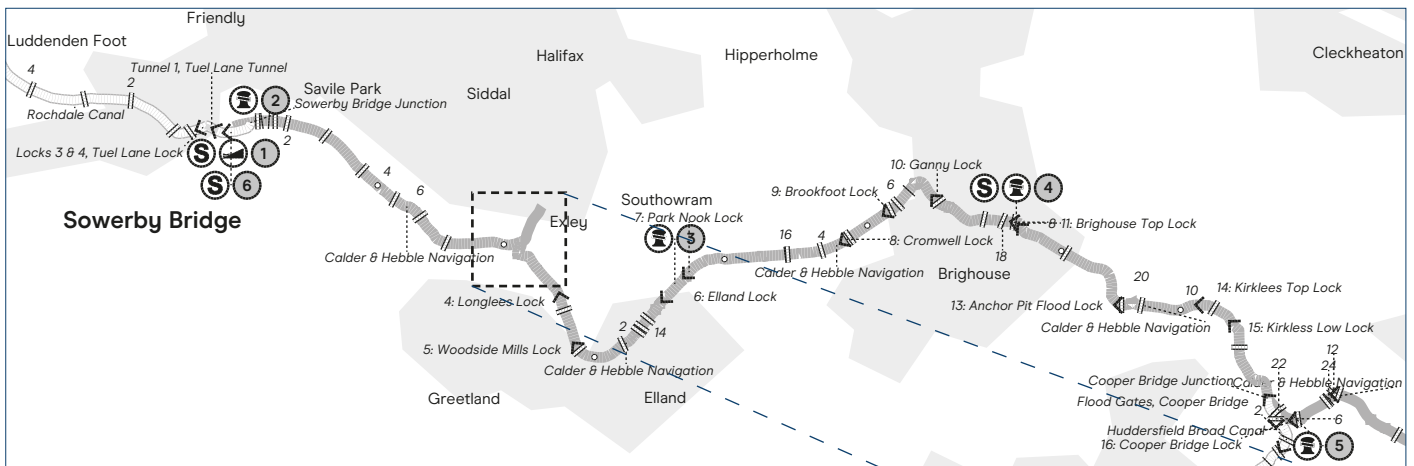

A note about the data

These guides list information we currently have on our facilities, dimensions and navigation guidance, based upon local knowledge and expertise. Whilst we anticipate that this data is reasonably accurate, we cannot guarantee its precision. Therefore, this data should only be used as a helpful guide and you should always use your own judgement taking into account local circumstances at any particular time. If you spot something wrong, please let us know canalrivertrust.org.uk/contact-us

Calder & Hebble Navigation

Locks & bridges

Calder & Hebble Navigation

Lock 2, Salterhebble Middle Lock: Calder & Hebble handspike required.

Lock 1, Salterhebble Top Lock: Calder & Hebble handspike required. Water point available.

Lock 3, Salterhebble Bottom Lock; and Lock 4, Longlees Lock; and Lock 5, Woodside Mills Lock; and Lock 6, Elland Lock; and Lock 7, Park Nook Lock; and Lock 8, Cromwell Lock; and Lock 9, Brookfoot Lock; and Lock 10, Ganny Lock; and Lock 11, Brighouse Top Lock: Calder & Hebble handspike required.

Lock 12, Brighouse Bottom Lock: Calder & Hebble handspike required. Read flood warning instructions.

Lock 13, Anchor Pit Flood Lock: Be aware of weir boom.

Lock 14, Kirklees Top Lock; and Lock 15, Kirkless Low Lock; and Flood Gates, Cooper Bridge: Calder & Hebble handspike required.

Lock 16, Cooper Bridge Lock: When joining the Huddersfield Broad Canal at Cooper Bridge, take care to avoid the weir on the river just past the entrance to lock one. Observe flood markers.

Flood Gates, Battye Cut: Take care to avoid the weir and boom on the river.

Huddersfield Broad Canal

Lock 1, Cooper Bridge Lock: When joining the Huddersfield Broad Canal at Cooper Bridge take care to avoid the weir just beyond the entrance. The canal enters a river section of the Calder & Hebble Navigation at this lock. Before leaving the lock, boaters should be clear about the layout of the junction and of their intended passage. Follow instructions on flood warning notices.

Rochdale Canal

Locks 3 & 4, Tuel Lane Lock: Operated by a resident lock-keeper. Passage will only be permitted between April & October 7 days a week between 8am and 5pm. Winter passages should be booked at least 72 hours in advance by contacting customer services on 03030 404040 Monday–Friday 8.30am–4pm (excluding Bank Holidays). Do not attempt to operate the lock yourself. Follow signage and lock-keeper's instructions. Do not enter the tunnel whilst boats are in the lock, or the lock is emptying. Turbulence from this can cause a serious accident.
