

Song Sheet

Hold hands, take two steps back.

Hold hands, take two steps back.

Hold hands, take two steps back.

Let's stay safe together.

Quack, Quack!

Poem Sheet

The waterside is fun to go,
But there are things you need to know.

Let's stay safe and not be silly,
The water here is very chilly.

Find your grown up, hold their hand,
Two steps back is where you stand.

Look out for bugs and ducks that quack,
But always do it two steps back.
