

Help protect wildlife and make a better green space on the Coventry Canal in Atherstone.

Get your team out of the office and on to the canal for a day and make a real difference in your community. Connect with your local community by improving wildlife habitats, enhancing a beautiful green space for the local community and keeping our historic waterway network alive.

Our experienced staff can develop a team day for up to 25 people that will build stronger working relationships, create shared experiences, give you talent spotting opportunities, invigorate and give health benefits to your team. We can tailor the day to suit your needs.

You can help us...

- Improve the towpath filling potholes, clearing overgrowth and resurfacing making it easier to use for local people
- Improve access from Minions Close by removing broken fencing
- Improve moorings for visiting boaters
- Enhance a community garden area with the potential to work alongside an existing community group
- Cut back overgrowth with the potential to plant new trees and bushes improving wildlife habitats
- Paint canalside 'furniture' such as fencing, mooring bollards and locks

My team and I will be working with you. Some of our team have been working on the canal for 30 years and some only a couple of months. We look after the canal on a daily basis so can really help you settle into your day with us.

Terry Drake – Waterways Supervisor

On behalf of the Waterways Partnership, we look forward to welcoming you and giving your team a fantastic day on the Coventry Canal in Atherstone

Geoff Reynolds – Central Shires Waterway Partnership

For more information about the canal and how you can get involved please contact:
