

# Help protect wildlife and make a better green space on the Coventry Canal in Nuneaton.

Get your team out of the office and on to the canal for a day and make a real difference in your community. Connect with your local community by improving wildlife habitats, enhancing a beautiful green space for the local community and keeping our historic waterway network alive.

Our experienced staff can develop a team day for up to 25 people that will build stronger working relationships, create shared experiences, give you talent spotting opportunities, invigorate and give health benefits to your team. We can tailor the day to suit your needs.

## You can help us...

- Graffiti removal on bridges and structures.
- Towpath needs some improvements to make walking easier for visitors.
- Bridge 21 Tomkinson Road the steps from the road need improvements a new handrail and step treads would help.
- Stone wall needs fencing to prevent it from becoming a hotspot for fly tipping.
- A number of access points need enhancement and levelling.
- Litter picking is always going to be a big issue here also.

*My team and I will be working with you. Some of our team have been working on the canal for 30 years and some only a couple of months. We look after the canal on a daily basis so can really help you settle into your day with us.*

**Terry Drake – Waterways Supervisor**

*On behalf of the Waterways Partnership, we look forward to welcoming you and giving your team a fantastic day on the Coventry Canal in Nuneaton*

**Central Shires Waterway Partnership**

**For more information about the canal and how you can get involved please contact:**
