

# Help protect wildlife and make a better green along the Lancaster Canal in Lancaster.

Get your team out of the office and on to the canal for a day and make a real difference in your community. Connect with your local community by improving wildlife habitats, enhancing a beautiful green space for the local community and keeping our historic waterway network alive.

Our experienced staff can develop a team day for up to 25 people that will build stronger working relationships, create shared experiences, give you talent spotting opportunities, invigorate and give health benefits to your team. We can tailor the day to suit your needs.

## You can help us...

- Remove unsightly graffiti
- Paint the lock gates
- Remove unwanted vegetation
- Litter pick
- Make improvements to the towpath
- Paint a local footbridge

This will be a great opportunity to make a real difference to the canal through Lancaster. So many people use the canal to make their way through the city centre and to surrounding areas, workers use the canal over lunch to go for a jog or just relax at a bench with a snack.

It would be great to have a local company help us make The Lancaster Canal even more enjoyable for all users.
