

Help protect wildlife and make a better green space along the Leeds, Liverpool Canal at the historical Bingley 5 Rise.

Get your team out of the office and on to the canal for a day and make a real difference in your community. Connect with your local community by improving wildlife habitats, enhancing a beautiful green space for the local community and keeping our historic waterway network alive.

Our experienced staff can develop a team day for up to 25 people that will build stronger working relationships, create shared experiences, give you talent spotting opportunities, invigorate and give health benefits to your team. We can tailor the day to suit your needs.

You can help us...

- Paint the lock gates
- Remove some unwanted vegetation
- Carry out repairs to the towpath
- Make improvements to access points

Could your company help us ?

This grade 1 listed structure needs some TLC...
is there a local company out there that can lend
us a hand and have a great day out on the ca-
nal.

Matthew Taylor, CRT Volunteer Development Coordinator

Come and have a day helping us make im-
provements for everyone to enjoy at this amaz-
ing historic structure

Paul House, CRT Waterway Supervisor

**For more information about the canal and how you can get
involved please contact:**
