- All Jet Skis users must be a member of the Jet Ski club: teespwc@gmail.com
- All Water-skiers must be a member of the Water-ski club: teeswaterski.co.uk
- Non-powered includes: Rowing Boats, Dragon boats, Canoes & Sailing Craft
- Coaching and Safety launches are allowed in non-powered slots
- Non-powered craft may use reach if the timetabled users are not there, but must vacate the area should one appear
- All vessels transiting the reach area must use the North shore, passing other craft port to port, giving a wide berth to other reach users
- Water-ski slots will not be in use November – February inclusive

All vessels must be registered at the Tees Barrage before going onto the water.

5 mph speed limit over the bed of the river. Do not create excess wash.
