General Information

Leeds & Liverpool Canal

All boaters are requested to take extra care to ensure that all gates and paddles are closed after use, double up with other users in locks, and keep a minimum of two locks apart on lock flights, when travelling to and from Liverpool to help conserve water.

Electricity is currently free at Salthouse Docks.

Liverpool South Docks

A pump out boat from Liverpool Marina will be available in Salthouse Dock on Monday, Wednesday & Friday between 10am & 4pm. The cost is £20 per pump out which is boat to boat, £15 if you go to the Marina and Elsan cassette are £10 and you will need to go to the Marina. Please phone Liverpool Marina on 0151 707 6777 to arrange this service, or speak

to the pump out boat directly. You can also purchase diesel from the Liverpool Marina on the same number.

Payment for use of this facility is by **CASH ONLY – The Trust Cards are not applicable to this service**

Showers are available within the Albert Dock Public Toilets. The showers are managed by the Trust and are available between 0930 and 1700 daily. Please use your Canal & River Trust key for access.

You must not discharge any sewage or foul water into the canal or dock system.

- Please note that when travelling south on the L&L Canal you will need to dispose of wastewater at Our Litherland Office, where there are pump out and Elsan facilities. Rubbish should also be disposed of here. It is suggested that fresh water tanks are also filled up at Litherland.

Going South on the Liverpool Canal Link into The Docks

- You must arrive at the top of Stanley Flight on the Leeds & Liverpool Canal by the time specified in your booking confirmation letter 13:00.

If you do not arrive by the specified time you may not be able to travel on the LCL until the next available passage.

Going North to the Leeds & Liverpool Canal out of The Docks

- You must start making your way to Mann Island at 08:00, ready to sail as specified in your booking confirmation letter.

We appreciate that until we find a long-term solution to this problem, that you may experience high-level levels of litter on your journey to Liverpool. However we hope that this does not detract from you having an enjoyable visit. Please report any particular problems that you encounter back to us and we will endeavour to take action to clear any specific hotspots as quickly as possible.

Liverpool Link Canal (LCL) - Cancellation Procedure

Canal & Rivers Trust require a minimum of 5 days' notice of all passage cancellations.

Should you fail to cancel your passage in accordance with this procedure an administration charge of £20.00 will be issued to your Trust account and you will be invoiced for this amount.

For further information please contact the **Liverpool Canal Link Team** on 03030 404040

Full Terms & Conditions are available on request

SUMMARY OF THE RULES OF NAVIGATION FOR BRITISH WATERWAYS' ESTATE AT LIVERPOOL SOUTH DOCKS

PLEASE NOTE A FULL COPY OF THE RULES OF NAVIGATION, DEFINITIONS AND INTERPRETATION, IS DISPLAYED IN THE LIVERPOOL SOUTH DOCKS OFFICE.

RULES OF NAVIGATION

No Vessel shall exceed a speed of 5 knots or such lesser speed as may be appropriate having regard to the interests of safety.

Every Vessel shall sound one Prolonged Blast on a horn siren or other audible warning device on approaching any passage bridge or other obstruction.

Unless expressly permitted to do so in writing by the Harbour Manager, Vessels may only leave their prescribed berths (other than when proceeding to/from the Liverpool Canal Link) to transit any part of the Estate at the following times:

1100-1800hrs (or Sunset whichever the earlier)

Every Vessel shall comply with any instructions either in writing or verbal given by the Harbour Manager.

No Vessel shall approach within 20 metres of Canning River Entrance Albert Passage Dock Gate or Brunswick River Entrance at any time unless for the purpose of navigating through the same.

All Vessels shall keep to starboard when transiting the Estate and in particular when navigating the Dock Passageways when due caution shall be exercised and all precautions and necessary measures taken to anticipate the approach of other Vessels.

Every Vessel shall at all times be navigated with proper caution and at such a speed and in such a manner as not to endanger the Vessel or to cause any nuisance danger obstruction or annoyance to any other Vessel (whether moored, anchored or berthed or in the course of approaching or leaving any mooring) property or person.

Every Vessel navigating the Estate shall give way to all other vessels using the Estate including (without limitation) all Vessels or persons engaged in Water Recreation.

No Vessel shall enter any part of the Estate in respect of which the right to use has from time to time been withdrawn for the purposes of safety water sports events maintenance or for any other reason as the Harbour Manager may in his sole discretion determine.

Every Vessel shall at all times comply with all Regulatory Requirements including where applicable the BSS Boat Safety Scheme. All certificates licences permits and other authorisations shall be produced to the Harbour Manager on demand.

Noise from engines or from entertainment sources must be reduced or contained to a reasonable level so as not to annoy other users of the Estate or local residents.

No refuse garbage waste sewage effluent oil or other noxious material of whatsoever nature shall be deposited from any Vessel within Estate. All refuse garbage waste sewage effluent oil and other noxious materials shall be disposed of in accordance with the waste management plan of the Estate Owner in force from time to time.

FAILURE TO COMPLY WITH THESE RULES OF NAVIGATION COULD RESULT IN YOU BEING REQUIRED TO VACATE THE ESTATE IMMEDIATELY.
